Mite Anniversary Edition Floor Lamp By Foscarini

Description

The Mite Floor Lamp by Marc Sadler received the Compasso d'Oro, a prestigious Italian design award, in 2001. To commemorate this achievement, Foscarini has revamped Sadler's classic design with the Mite Anniversary Edition Floor Lamp. The Anniversary Edition features a conical shade woven from glass and carbon fibers with a black and off-white pinstripe pattern atop a round, black marquina marble base. The shade diffuses light from the integrated LED and directs light upwards to provide indirect lighting. A dimmer switch is located on the cord.
