## Argo Adjustable Wall Sconce

By Hinkley Lighting

### Description

The Argo Adjustable Wall Sconce is brilliantly basic in design but has all the right details to make it shine. The smooth lines of its dome have a vintage, industrial feel but modern updates, make Argo contemporary. Heavy straps and decorative screws secure the dome to the cap in this clean and stylish profile. Fully adjustable both left or right and up or down. Features on/off switch on backplate. Can be hard wired or mounted with included fabric covered plug-in cord.

Shown in heritage brass / satin black
