Il Pezzo 1 Bench By Il Pezzo Mancante

Description

The II Pezzo 1 Bench is an alternation of rounded shapes and geometrical lines, reassuming discipline and freedom, a composite, multiethnic plan in which each component and each material contributes to the harmonious balance of the piece. II Pezzo 1 Bench is finely upholstered with high-quality leather or velvet with an original technique that makes these pieces sophisticated and rich. The adjustable feet are made of sand brass casting and they are available in different finishes. A small brass cylinder containing the serial number is inserted in every piece to seal the authenticity and uniqueness.
