Il Pezzo 2 Coffee Table

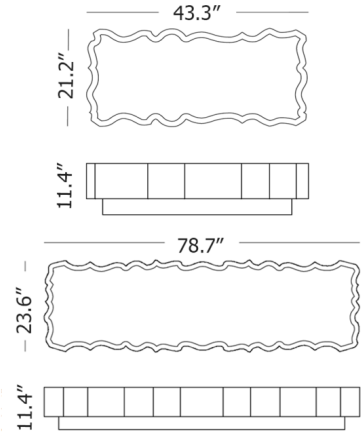

By Il Pezzo Mancante

Description

The Il Pezzo 2 Coffee Table is classic and features flowing and gentle contours. Il Pezzo 2 gives its own reading of time, old pieces inspiring familiar and comforting sensations. It's completely made of solid American walnut; the shape of the structure allows the wood to amaze by showing off its colors and grain. The top is a beautiful slab of white Carrara or black Marquina marble while the base, made of brass, is available in different finishes. The wood is treated with natural oil that protects it but at the same time allows it breathe, leaving the extraordinary feel of this beautiful material unchanged to the touch. The 43.3 inch option features 1 drawer with push-open system, while the 78.7 inch features 2 drawers with push-open system. Each base has adjustable feet. A small brass cylinder containing the serial number is inserted in every piece to seal the authenticity and uniqueness.
