Il Pezzo 10 Console

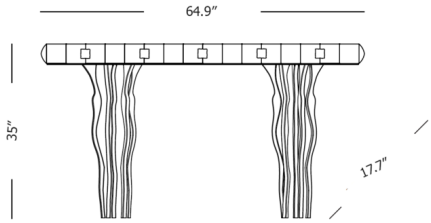

By Il Pezzo Mancante

Description

The Il Pezzo 10 Console is rigid, strong and impenetrable, like a medieval Florentine palace it seems to be suspended and floating over an imaginary Arno river. Encased in the structure, this walnut wood console features delicate cast brass handles and two drawers, and a multitude of sparkling, adjustable legs. A small brass cylinder containing the serial number is inserted in every piece to seal the authenticity and uniqueness.
