Curb Accent Table

By Lyon Beton

Description

The Curb Accent Table is a concrete cube that makes for the perfect side table or end table, thanks to its deliberately compact size, which allows it to slide in and out of all kinds of spaces. The cube cradles a sphere-shaped, artisanal blown-glass bowl. You'll see that designer Bertrand Jayr is extending an open invitation to make this glass bowl your own. You'll find a thousand other uses when you make this table a part of your daily routine.NOTE: Any pores, microcracks, and variations in color are due to the inherent and charming nature of the materials used. Do NOT use abrasive materials or solvents on the surface. Apply protective wax or oil regularly.
