Perspective Side Table

By Lyon Beton

CONTRACT GRADE

Description

The Perspective Side Table is a side table with a minimalist design to use as a complement to your coffee table. Some will use it as a bedside table. Which is also a good idea. The side table has a black metal base covered with a black epoxy velvet paint and light grey concrete table top. NOTE: Any pores, micro-cracks, and variations in color are due to the inherent and charming nature of the materials used. Do NOT use abrasive materials or solvents on the surface. Apply protective wax or oil regularly.
