Beck Wall Sconce

By Mitzi

Description

The Beck Wall Sconce takes Art Deco forms and gives them a modern minimalist aesthetic. Curved metal arms from the top and bottom of the backplate flow into a slender cylinder of fluted glass. A ring in matching aged brass or polished nickel wraps around the glass shade. Beck is an ideal bath piece, but this sophisticated sconce will add a soft glow to other areas of the home as well.

Shown in aged brass / clear
