Hattie Wall Sconce

By Mitzi

Description

The Hattie Wall Sconce is just as striking lit as unlit, with a diagrammatic aged brass arm that reaches upward to hold a textured white convex shade. A small metal sphere on the backplate and shade ground the design. When lit, light fills the shade with a gentle glow and creates a reflection on the wall behind. This stunning sconce is a chic addition to any space.

Shown in aged brass / white
