

BRAND Mitzi

DESCRIPTION

The Darcy Wall Sconce features clean lines and a polished look that is the essence of graphic minimalism. Simple details take this bare bulb plug-in sconce from functional to sophisticated. A ring of aged brass or soft black encircles a single bulb, creating negative space that sparks visual interest. The round sphere at the top of the ring and thoughtfully-designed smooth and sleek socket at the bottom complete the fixture's fresh look. On/off switch on cord.
