Issa Plug-In Wall Sconce

By Mitzi

Description

The Issa Plug-In Wall Sconce has a natural style that's ahead of the curve, with a slender, hooked arm that hold woven rattan shades that let a soft light filter through. The aged brass or textured white finish is the perfect complement to the natural shade and adds to the fixture's overall earthy feel. On/off switch on cord. Can be hard wired or mounted with included cloth covered plug-in cord.

Shown in aged brass / rattan
