## Heracleum III The Big O Chandelier

By Moooi

### Description

The Heracleum III Big O Chandelier was inspired by the shape of a blossoming crown, a symbol of power and prosperity. The chandelier's wreath-like design is comprised of white polycarbonate leaves branching outwards from a circular metal frame. Heracleum offers an organic, botanical expression with a distinctly modern touch. Available with 4 meter or 10 meter cable. Includes two canopies to be attached to two junction boxes. Note: The Heracleum is only dimmable using the Wireless Wall Dimmer Switch or with 0-10V dimming systems using the Heracleum III 0-10V driver, sold separately. To use the Wireless Wall Dimmer Switch with Heracleum The Big O, an additional radio in the driver is needed (contact manufacturer).
