Belterra Globe Chandelier

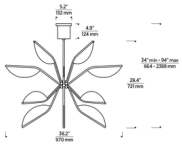

By Visual Comfort Modern

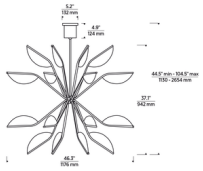

Description

The Belterra Globe Chandelier is a modern display of graceful stem-work and petal-shaped acrylic LED light guide panels, drawing inspiration from the lotus flower. Hang this stunning piece as a standalone or install it in multiples to make a grand statement. Dimmable with a TRIAC or ELV dimmer. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
