Blok Chandelier

By Visual Comfort Modern

Description

The Blok Chandelier updates classic metal cylinder lights with Art Deco inspired hexagonal shaping. Its versatile monorail-like design is a low voltage system of lights suspended from thin rails, where the lights can be added, removed, or moved around to customize the arrangement. Use this unique fixture to bring illumination and style to living rooms, dining areas, and offices. Two power supply (transformer) options are available: Remote: Includes an ELV power supply to be installed in an accessible remote location and a low-profile canopy. Surface: Includes an ELV power supply located in the canopy.
