Gable Linear Chandelier

By Visual Comfort Modern

Description

The Gable Linear Chandelier is a dazzling suspension of compact canister shaped lights with crystal optics, brilliantly illuminating your space while minimizing glare. Hang the lights at a uniform height or stagger them for a dramatic effect. The Gable is the perfect contemporary statement piece for a living room or dining area. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. Plugs are included to cover any unused canopy ports. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Gable series is part of the Trellis collection which represents modern, minimalist lighting in its purest form.
