Moxy Chandelier

By Visual Comfort Modern

Description

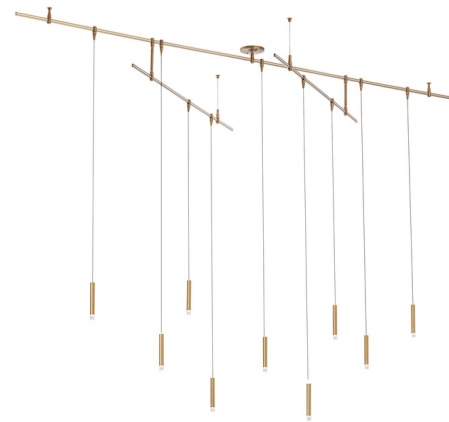

Slim metal pendants hang gracefully from thin rails on the Moxy Chandelier, accented with clear faceted optics that create dimension and sparkle. With this versatile monorail-like low voltage system, the lights can be added, removed, or moved around to customize the arrangement. Use this unique fixture to make a sophisticated statement in any space, from living rooms and lounges to dining areas and offices. Two power supply (transformer) options are available:
Remote: Includes an ELV power supply to be installed in an accessible remote location. The low-profile canopy offers a minimal look. Surface: Includes an ELV power supply located in the canopy.
