Pylon Linear Chandelier

By Visual Comfort Modern

Description

The Pylon Linear Chandelier is a modern suspension of lights that makes a striking statement in a living room or over a dining table. Each light is a long tapered metal body punctuated at the tip with a brilliant clear acrylic optic. The lights can be hung at a uniform level or staggered in height for a dramatic effect. Plugs are included to cover any unused canopy ports. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Pylon series is part of the Trellis collection which represents modern, minimalist lighting in its purest form.
