Sedona Pendant Chandelier

By Visual Comfort Modern

Description

The Sedona Pendant Chandelier is a suspension of smooth glass orb lights embellished on the inside with artisan-crafted glass bands. Designed as a versatile monorail-like low voltage system, it offers the flexibility of adding, removing and moving lights to customize the arrangement. The Sedona is perfect for illuminating dining areas, living rooms, and offices. Two power supply (transformer) options are available: Remote: Includes an ELV power supply to be installed in an accessible remote location. The low-profile canopy offers a minimal look. Surface: Includes an ELV power supply located in the canopy.
