Cylinders Monorail Head

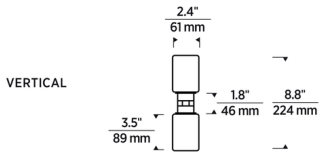

By Visual Comfort Architectural

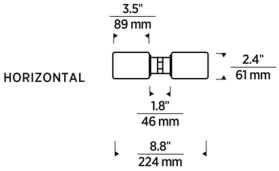

Description

Use the versatile, functional Cylinders Monorail Head to design unique lighting for your space. Cylinders on a monorail system can be set close to the ceiling to create drama in applications with limited ceiling heights or can be dropped lower into the room to create depth and dimension. Dimmable with an ELV or MLV dimmer, depending on the system transformer. Note: Requires a 1-circuit monorail track system and minimum 6 inch rigid standoff, sold separately.

Shown in antique bronze
