## Tellium Monopoint Head

By Visual Comfort Architectural

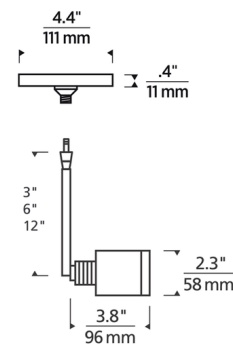

### Description

The Tellium Monopoint Head combines simplicity with functional technology. Light direction can be adjusted using the 360 degree head rotation and 90 degree pivot, and the LED option includes lenses for 20, 40 and 60 degree beam spreads. This light is perfect for residential and commercial applications including galleries and retail stores. A canopy and electronic transformer are included. The LED option is Title 24 compliant. The Aged Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. Note: The 3 inch White finish fixture is not available with LED.
