Eaves Pendant

By Visual Comfort Modern

Description

The Eaves Pendant features a simple yet striking silhouette, made of a flat metal disc placed over a round acrylic optic. Hang it as a standalone or in multiples to illuminate kitchen islands, dining areas, or bedrooms. Includes a 120-277V universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Eaves series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Two canopy options are available: 4.6 Inch Diameter: 4.6 inch diameter canopy. Driver to be installed in a standard junction box. 2.6 Inch Diameter: 2.6 inch diameter canopy that offers a minimal look and mounts to an included mini junction box. Driver to be installed in a remote accessible location.
