Gable Pendant

By Visual Comfort Modern

Description

The Gable Pendant embodies modern simplicity with its compact canister shape and crystal optic that brilliantly illuminates your space while minimizing glare. Place a pair on either side of a bed, or cluster several over a kitchen island or dining area. Includes a 120-277V universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Gable series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Two canopy options are available: 4.6 Inch Diameter: 4.6 inch diameter canopy. Driver to be installed in a standard junction box. 2.6 Inch Diameter: 2.6 inch diameter canopy that offers a minimal look and mounts to an included mini junction box. Driver to be installed in a remote accessible location.
