## Guyed Pendant

By Visual Comfort Modern

### Description

The Guyed Pendant offers a unique profile through its simple combination of shapes, made of a slim vertical metal tube and sphere with a matching spherical crystal optic at the tip. The metal sphere can be positioned anywhere along the tube or removed. Use the Guyed to illuminate a side table or hang multiple over a kitchen island or dining area. Includes a 120-277V universal driver, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Guyed series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Two canopy options are available: 4.6 Inch Diameter: 4.6 inch diameter canopy. Driver to be installed in a standard junction box. 2.6 Inch Diameter: 2.6 inch diameter canopy that offers a minimal look and mounts to an included mini junction box. Driver to be installed in a remote accessible location.

### Specifications

COLOR . . . . . Clear
