Kira Pendant By Visual Comfort Modern

Description

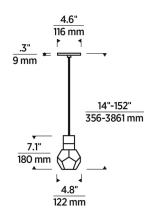

The Kira Pendant showcases a gleaming faceted crystal beautifully illuminated by an integrated downward-firing LED light source. Suspended alone or in clusters, this piece makes a stunning modern statement in kitchens, dining rooms, lobbies, and a host of other residential and commercial settings. A wide selection of fabric cord colors and finishes lets you customize the Kira to suit your application. Three color temperature options are available: 2200K, 3000K, and 3000K Warm Dim. The Warm Dim is 3000K at its brightest and gradually warms to 2200K as it is dimmed. All options are dimmable with a TRIAC or ELV dimmer.
