Kira Multi-Light Pendant

By Visual Comfort Modern

Description

The Kira Multi-Light Pendant is a gleaming suspension of faceted crystals beautifully illuminated by integrated downward-firing LED lights. It makes a stunning modern statement whether suspended in a dining room, lobby, foyer, or other residential or commercial setting. A wide selection of fabric cord colors and finishes lets you customize the Kira to suit your application. Three color temperature options are available: 2200K, 3000K, and 3000K Warm Dim. The Warm Dim is 3000K at its brightest and gradually warms to 2200K as it is dimmed. All options are dimmable with a TRIAC or ELV dimmer. Notes: The 7-light and 11-light pendants require a junction box rated for fixtures weighing over 50 pounds. The 11-light pendant is not available in Natural Brass.
