## Phobos 2 Light Pendant

By Visual Comfort Modern

### Description

Pared down to two simple, sleek tubes of light, the Phobos 2 Light Pendant is a striking contemporary piece for your space. Laser-etched light guide channels housed in borosilicate glass diffuse the light to provide ambient illumination. Hang it over a small side table, or install multiple over a bar or modern dining space to make an eye-catching statement. Dimmable with a TRIAC or ELV dimmer. The Natural Brass finish will patina over time, developing warm character. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
