Pylon Pendant

By Visual Comfort Modern

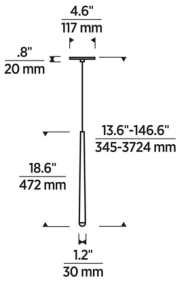

Description

The Pylon Pendant displays modern elegance with its long tapered metal body punctuated at the tip with a brilliant clear acrylic optic. Beautiful as a standalone or clustered in multiples, this pendant adds a dash of sophistication to living rooms, lounges, and dining rooms. A 120-277V universal driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Pylon series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Two canopy options are available: 4.6 Inch Diameter: 4.6 inch diameter canopy. Driver to be installed in a standard junction box. 2.6 Inch Diameter: 2.6 inch diameter canopy that offers a minimal look and mounts to an included mini junction box. Driver to be installed in a remote accessible location.

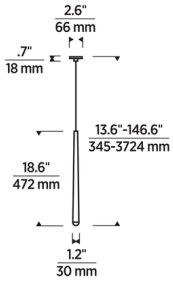

Shown in natural brass / clear

4" ROUND CANOPY

PORT ALONE CANOPY
