Anton Outdoor Wall Sconce

By Visual Comfort Modern

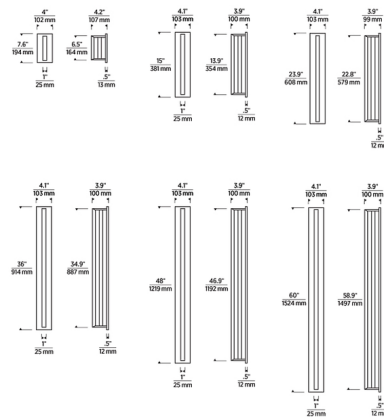

Description

The Anton Outdoor Wall Sconce emits an unexpected glow, as its indirect light points toward the wall and reflects off of a natural brass finish blade. Modern crisp lines and a slim profile give this fixture a sleek contemporary look. Place it in an outdoor lounging area to welcome guests, or use a pair to flank an entryway or garage. 7.6 and 23.9 inch high sconces: TRIAC and ELV dimmable. 15, 36, and 48 inch: TRIAC, ELV, and 0-10V dimmable. All sizes except 7.6 inch are ADA compliant.
