## Brompton Wall Sconce

By Visual Comfort Modern

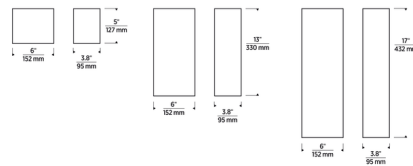

### Description

The Brompton Wall Sconce embraces modern simplicity with its clean rectangular design. It provides an uplight and downlight, and can be mounted horizontally or vertically. Dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass option has a living finish that will patina over time, enhancing its richness. If the patina becomes uneven, a brass cleaner can restore the finish. Note: The 13 inch size is not available in Matte White finish.
