

BRAND Mooui

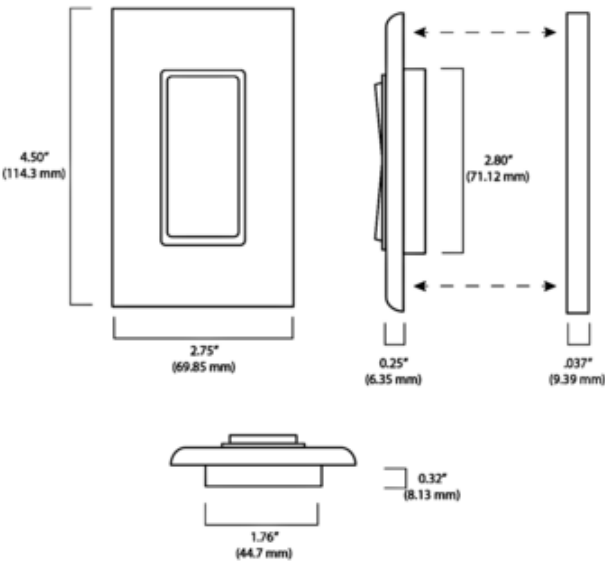

DESCRIPTION

With the Wireless Wall Dimmer II, you'll have full control over your Mooui lighting with one touch. There's no need to change your home's wiring. The Wireless Wall Switch is comprised of two components -- a wall dimmer and radio device (already paired) to put in the canopy of your Mooui fixture. The wall dimmer communicates via Bluetooth with the radio device in the light's canopy. The Wireless Wall Switch can be integrated with your existing wall switches and it charges itself, so there's no need for electricity. Features full range smooth dimming without flickering. Includes wall plate. The Wireless Wall Dimmer II is currently compatible with these Mooui fixtures: NomNom LightStarfall LightHeracleum III FamilyGravity ChandelierRaimond II R43, R61, R89, Zafu and Dome
