4 Series Shallow New Construction IC Housing 120V By Beach Lighting

Description

R4-G19ICSAT 4 Inch Shallow IC Airtight New Construction Housing is designed to be installed in 120V line voltage new construction applications. IC rated housing can be in direct contact with insulation. Airtight feature prevents airflow between attic and living areas. Accommodates one 120 volt GU10 MR16 halogen bulb up to 25 watts (or LED equivalent), sold separately. Halogen dimmable with a standard incandescent dimmer. Note: A complete fixture includes a housing and trim, sold separately.

Shown in galvanized steel

Specifications
