Description

The Gemini Pendant features a unique, eye-catching design that will stand out in any space. The outer ring and canopy sport a Matte Black finish, while the interior rings are finished in Brushed Nickel. An integrated LED light source beneath a silicon diffuser lines the outer rim to direct light outwards. The interior rings are also outfitted with LEDs, and the rings can be rotated within the frame to provide a degree of directional control. Dimmable with appropriate LED rated dimmer switches.

Shown in matte black / brushed nickel
