Big Ass Fans

DESCRIPTION

The Haiku Gen 4 Low Profile Ceiling Fan with Downlight is an expertly crafted blend of form and function, stylish in design with premium finishes and a fleet of smart, advanced features perfect for making the most of your indoor setting. Whisper-quiet, energy-efficient airflow is delivered by a permanent-magnet brushless DC/EC motor and precision-balanced airfoils (blades). The airfoils are made of aircraft-grade aluminum or eco-friendly Moso bamboo. A color temperature shifting LED downlight provides illumination with a range of 2700-4000K, and it dims 1-100% with 16 dimming settings. A bottom cover is included for use without the light. Built-in SenseME technology automates efficiency using on-board sensors. The fan can turn on or off based on room occupancy detected by a motion sensor, and temperature and humidity sensors detect environmental changes to automatically fine-tune fan operation and maintain your comfort level. The included bluetooth remote control enables fan speed adjustment (7 speeds), motor on/off, light on/off and dimming, and motion and environment sensing on/off. It can be hand-held, placed in a magnetic wall holder, or fixed in a wall mount. The mount and holder are included. An optional IR control is sold separately. The free Haiku by BAF app offers additional control functions including scheduling, grouping fans, enabling Whoosh (breeze) or Sleep modes, and changing the downlight color temperature. Haiku also integrates with smart home systems to enable voice control including Amazon Alexa, Google Assistant, and ecobee. With its world-class airflow and modern features, the Haiku smart fan is an excellent solution for refreshing your space.

Shown in: Black / Brushed Aluminum

SHADE COLOR	N/A
BODY FINISH	Black / Brushed Aluminum
WATTAGE	26.1W
DIMMER	Included
DIMENSIONS	52"W x 12.8"H
INTEGRATED LED MODULE	
LAMP	1 x LED/26.1W/120V LED

Technical Information

LUMINOUS FLUX	1770 lumens
LUMENS/WATT	67.82
LAMP COLOR	Tunable White
COLOR RENDERING	93 CRI

SPEC # BAF1156651
