Mini Beam Outdoor Mini Light with Stake/Shield 12V

By Brilliance

Description

The 12V Outdoor Mini Beam is the perfect fixture to bring light to hard-to-reach places. Designed for under water, in a water feature, under stairs, stone walls, stone lanterns, or any small space. This directional fixture solves the issue of fitting a fixture into a small area. Available in two sizes, 2700K and 3000K static white color temperature options, and three lumen package options Small: 90 lumens (1.5 watt), Small: 200 lumens (3 watt), or Large: 400 lumens (6 watt). Amber, Green and Blue available in small 90 lumen option only. Includes 12 foot lead and pre-assembled with the Stake and Shield accessory. Can be paired with the Gutter Mount accessory, sold separately. Note: Required 12V low voltage magnetic transformer, sold separately. Dimmable with Brilliance Dimmer and most magnetic transformers.
