Bryce Perforated Outdoor MR16 Downlight Pendant 12V

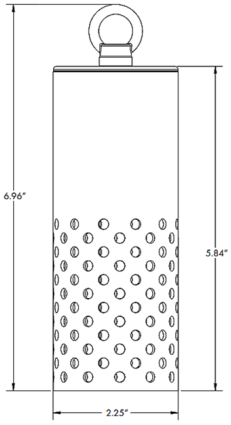

By Brilliance

Description

The Bryce Outdoor 12V MR16 Perforated Downlight Pendant is designed for outdoor downlighting techniques in trees or architecture by hanging on a chain or cable. Machined copper and brass finishes offer a living finish that weathers over time to a unique patina. Black brass finish with Cerakote series ceramic coating offers superior corrosion resistance, durability, chemical resistance, and thermal stability. Offered in a with or without bulb option. Hang the fixture from a secure stainless steel eye bolt, with or without a chain. Fixture includes a 24 inch watertight cable connector lead (electrical cable supplied by others). Note: Not intended for hardwire installation (no canopy included). Required 12 volt low voltage magnetic transformer, and optional chain or cable (by others) sold separately.

Shown in brass
