

BRAND Brilliance

DESCRIPTION

The Carlsbad 12V Well Light is designed for outdoor in ground uplighting. Machined brass or copper finish offers a living finish that weathers over time to a unique patina. Black brass finish with Cerakote series ceramic coating offers superior corrosion resistance, durability, chemical resistance, and thermal stability. Glass lens. Offered in a with or without bulb option. Fixture includes Lighting Shrink Professional Crimp and Heat Shrink Cable Connector. Note: Required 12 volt transformer sold separately.
