## Everglades Outdoor Area Light 12V By Brilliance

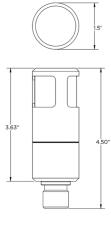

## Description

The Everglades Outdoor 12V Area Light serves as a low profile indicator for outdoor pathways and walkways and dock and deck applications. Machined brass finish offers a living finish that weathers over time to a unique patina. Black brass finish with Cerakote series ceramic coating offers superior corrosion resistance, durability, chemical resistance, and thermal stability. Offered in a with or without bulb option. With bulb option includes a 1.2 watt 12V Micro G4 Bi-Pin bulb in Amber. Without bulb option requires a 1.2 watt 12V Micro G4 Bi-Pin bulb (sold separately). Fixture includes an ABS Mounting Stake and Lighting Shrink Professional Crimp and Heat Shrink Cable Connector. Pair with optional Deck Mount accessory as a base for flat surfaces, sold separately. Note: Required 12 volt low voltage magnetic transformer and optional Deck Mount accessory sold separately.
