Grand Canyon Outdoor Directional Light 12V By Brilliance

Description

The Grand Canyon 12V Directional Accent Light is designed for outdoor uplighting, grazing, and backlighting applications. Features an adjustable glare shield and Brilliance Metal Works signature adjustment system which allows for 22 points of articulation of the knuckle in 10 degree increments. Machined copper and brass finishes offer a living finish that weathers over time to a unique patina. Black brass finish with Cerakote series ceramic coating offers superior corrosion resistance, durability, chemical resistance, and thermal stability. Offered in a with or without bulb option. Fixture includes ABS Mounting Stake and Lighting Shrink Professional Crimp and Heat Shrink Cable Connector. Note: Required 12 volt low voltage magnetic transformer sold separately.
