Deck Mount Accessory By Brilliance

Description

The Brilliance Metal Works deck mount accessory is made from solid round aluminum in Black or brass stock in Black Brass or Brass. It is machined through a CNC computerized process making it a virtually flawless design. Three mounting holes allow the canopy to be installed evenly on any hard-flat surface. A cable relief slot is located on the bottom side of the mount. Designed with a 1/2 inch NPT female thread and accepts all Brilliance Metal Works stem and knuckled fixtures.

Shown in black brass
