Tee 12V Outdoor Wall Wash Light

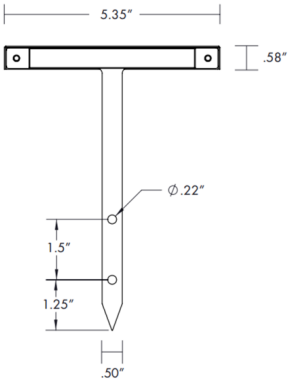

By Brilliance

Description

The Tee 12V Wall Wash Light is designed for outdoor up lighting, back lighting, grazing, and low profile pathway lighting. Machined brass or copper finish offers a living finish that weathers over time to a unique patina. Black brass finish with Cerakote series ceramic coating offers superior corrosion resistance, durability, chemical resistance, and thermal stability. Fixture includes a one-piece stainless steel ground stake, glare shield, and Lighting Shrink Professional Crimp, and Heat Shrink Cable Connector. Power cable is supplied zip tied to the ground stake. Note: Required 12 volt transformer sold separately.

Shown in black brass
