Organics Outdoor Directional Light 12V

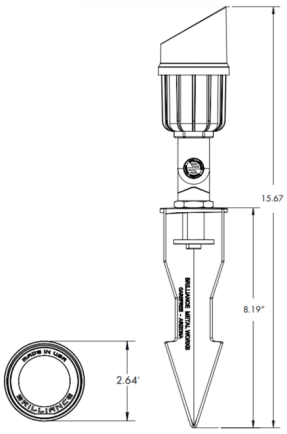

By Brilliance

Description

The Organics 12V Outdoor Directional Light is designed for uplighting, grazing, and backlighting. Features a glare shield and the Brilliance Metal Works signature adjustment system with multiple points of articulation of the knuckle and toolless design.The Organics Directional Light is 40% natural material from bamboo, an organic compound, and polypropylene. This composite blend reduces carbon use and other resources, and is suitable for recycling. Fixture includes a Lighting Shrink Professional Crimp and Heat Shrink Cable Connector, Composite Mounting Stake, and a 7 watt Ecostar 12V MR16 GU5.3 LED bulb. Note: Fixture color may vary slightly due to the diversity of natural bamboo fibers.Note: Required 12 volt low voltage magnetic transformer sold separately.

Shown in black
