PC/DC Outdoor Ceiling Fan with Light

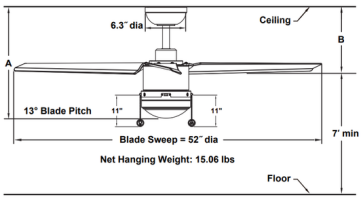

By Fanimation

Description

The PC/DC Outdoor Ceiling Fan with Light features an energy-efficient DC motor and integrated LED light. A 3-speed pull chain controls the fan motor, while a separate pull chain turns the light on/off and dims. Fan direction can be reversed using the switch on the motor housing. Use this fan to create a comfortable, well-lit environment in any indoor or outdoor area, from kitchens and living rooms to porches and patios.
