Kute Smart Ceiling Fan By Fanimation

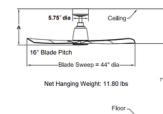

Description

The Kute Smart Ceiling Fan features stylish flared blades and a quiet, energy-efficient DC motor, offering a charming look and refreshing airflow for your indoor or covered outdoor space. A WiFi hand-held remote control (TR305) is included and enables motor on/off, 16 speeds, forward and reverse, breeze mode, and timers. If the Kute light kit (sold separately) is used, the remote can turn the light on/off, dim, and adjust the color temperature (3000K, 4000K, or 5000K). This smart fan can also be controlled through the fanSync WiFi app on your smart device, or through smart home systems including Amazon Echo/Alexa, Google Home, Nest and ecobee for a truly modern experience. Notes: The light kit and flush mount pictured are not included. These and other optional accessories are sold separately. The 5-blade fans are only available in the 52 inch size.

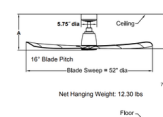

Shown in brushed satin brass / black
