Amped Ceiling Fan with Light

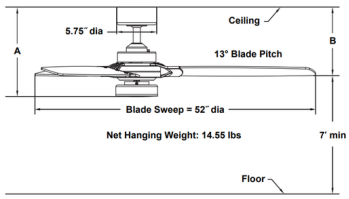

By Fanimation

Description

Available in monotone or elegant two-tone finishes, the Amped Ceiling Fan with Light coordinates well with any interior setting. A hand-held remote control with wall holder (TR500) is included and enables motor on/off, 3 speeds, light on/off with full range dimming, and a sleep timer. Fan direction can be reversed using a switch on the motor housing. A cap for no-light use is included. A Wi-Fi receiver for converting the fan into a smart fan, and other optional accessories are sold separately.

Shown in matte white / brushed satin brass / matte white
