## Klinch Ceiling Fan with Light By Fanimation

### Description

With its simple, gently curved profile, the Klinch Ceiling Fan with Light works well in a range of indoor and covered outdoor spaces. A hand-held remote control with wall holder (TR500) is included and enables motor on/off, 3 speeds, light on/off with full range dimming, and a sleep timer. Fan direction can be reversed using a switch on the motor housing. A cap for no-light use is included. A Wi-Fi receiver for converting the fan into a smart fan and other optional accessories are sold separately.
