

DESIGNER Achille and Pier Giacomo Castiglioni
BRAND FLOS

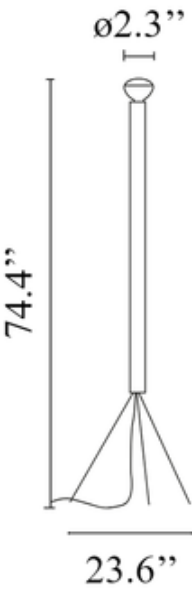

DESCRIPTION

The Luminator is minimal in form, a tripod made of painted galvanized metal legs and a painted iron stem. A reflector bulb at the top casts light upward, providing indirect ambient lighting. Whether you choose a neutral or bright color finish for the stem, this lamp catches the eye with its simplicity and unique bare-bones style.

Shown in: Anthracite

SHADE COLOR	N/A
BODY FINISH	Anthracite
