Larrick Semi Flush Ceiling Light By Golden Lighting

Description

Conventional style in a compact design, Larrick is a decorative option for large spaces with low ceilings. This multi-light semi-flush light has a low profile with wide arms for widespread illumination. The turned center column and decorative canopy reinforce the boldly traditional look of curved arms, wide cups, and candelabras. Hang this oversized, close-to-ceiling fixture in traditional to transitional rooms.

Shown in rubbed bronze
