Sonic Outdoor 12V Vertical Step Light

By Kuzco Lighting

Description

The Sonic 12V Outdoor Vertical Step Light is a sleek horizontal rectangular-shaped recessed light that is ideal for step or courtesy light use. The design of the die cast aluminum body with powder coat or cast stainless steel for marine-grade fully conceals the light source so there is no glare. Rated for outdoor use, but can be used inside as well. Note: This fixture is to be used with a 1 Gang junction box suited for intended application with minimum inside dimensions of 3.5H x 2W and minimum depth of 2.75 inches. Note: Requires a 12V DC remote Class 2 driver (provided by others and sold separately).
