Chant Chandelier

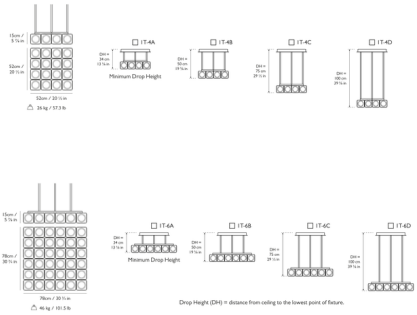

By Lee Broom

Description

The Chant Chandelier is inspired by the pressed glass bricks often used in mid-century places of worship as a substitute for stained glass. The fixture consists of illuminated glass cubes arranged in a square pattern. Each cube features a pronounced circular detail that adds a touch of texture to the design. Chant is available in four non-adjustable heights with a square ceiling light in Satin White finish.Note: Due to the weight of the fixture, additional ceiling support is required.

Shown in brushed gold / frosted
