## Chant Chandelier

By Lee Broom

### Description

The Chant Chandelier is inspired by the pressed glass bricks often used in mid-century places of worship as a substitute for stained glass. The fixture consists of illuminated glass cubes arranged in a square pattern. Each cube features a pronounced circular detail that adds a touch of texture to the design. Includes 4 square drop rods and a square ceiling canopy for each rod.

Dimmable with TRIAC/Leading edge dimmers.

Note: Due to the weight of the fixture, the 30.75 inch wide option requires additional ceiling support.

Shown in brushed gold / frosted
